Arriving in Brasil

Visa

From Australia, Canada and the US

To travel to Brazil, a visa is required for Australian, Canadian and US citizens.

InPEX participants from those countries can follow the eVisa procedure: <https://brazil.vfsevisa.com/>

While it is stated that the normal delay for the consular offices to issue the eVisa is 10 business days, it is **strongly recommended** to start this process in advance.

A fee will apply which is at the expense of each participant.

From France

French citizens do not need a visa if they travel less than 90 days in Brazil.

From other InPEX countries

Please check if a visa is required if you travel from another InPEX region.
